1880

1955

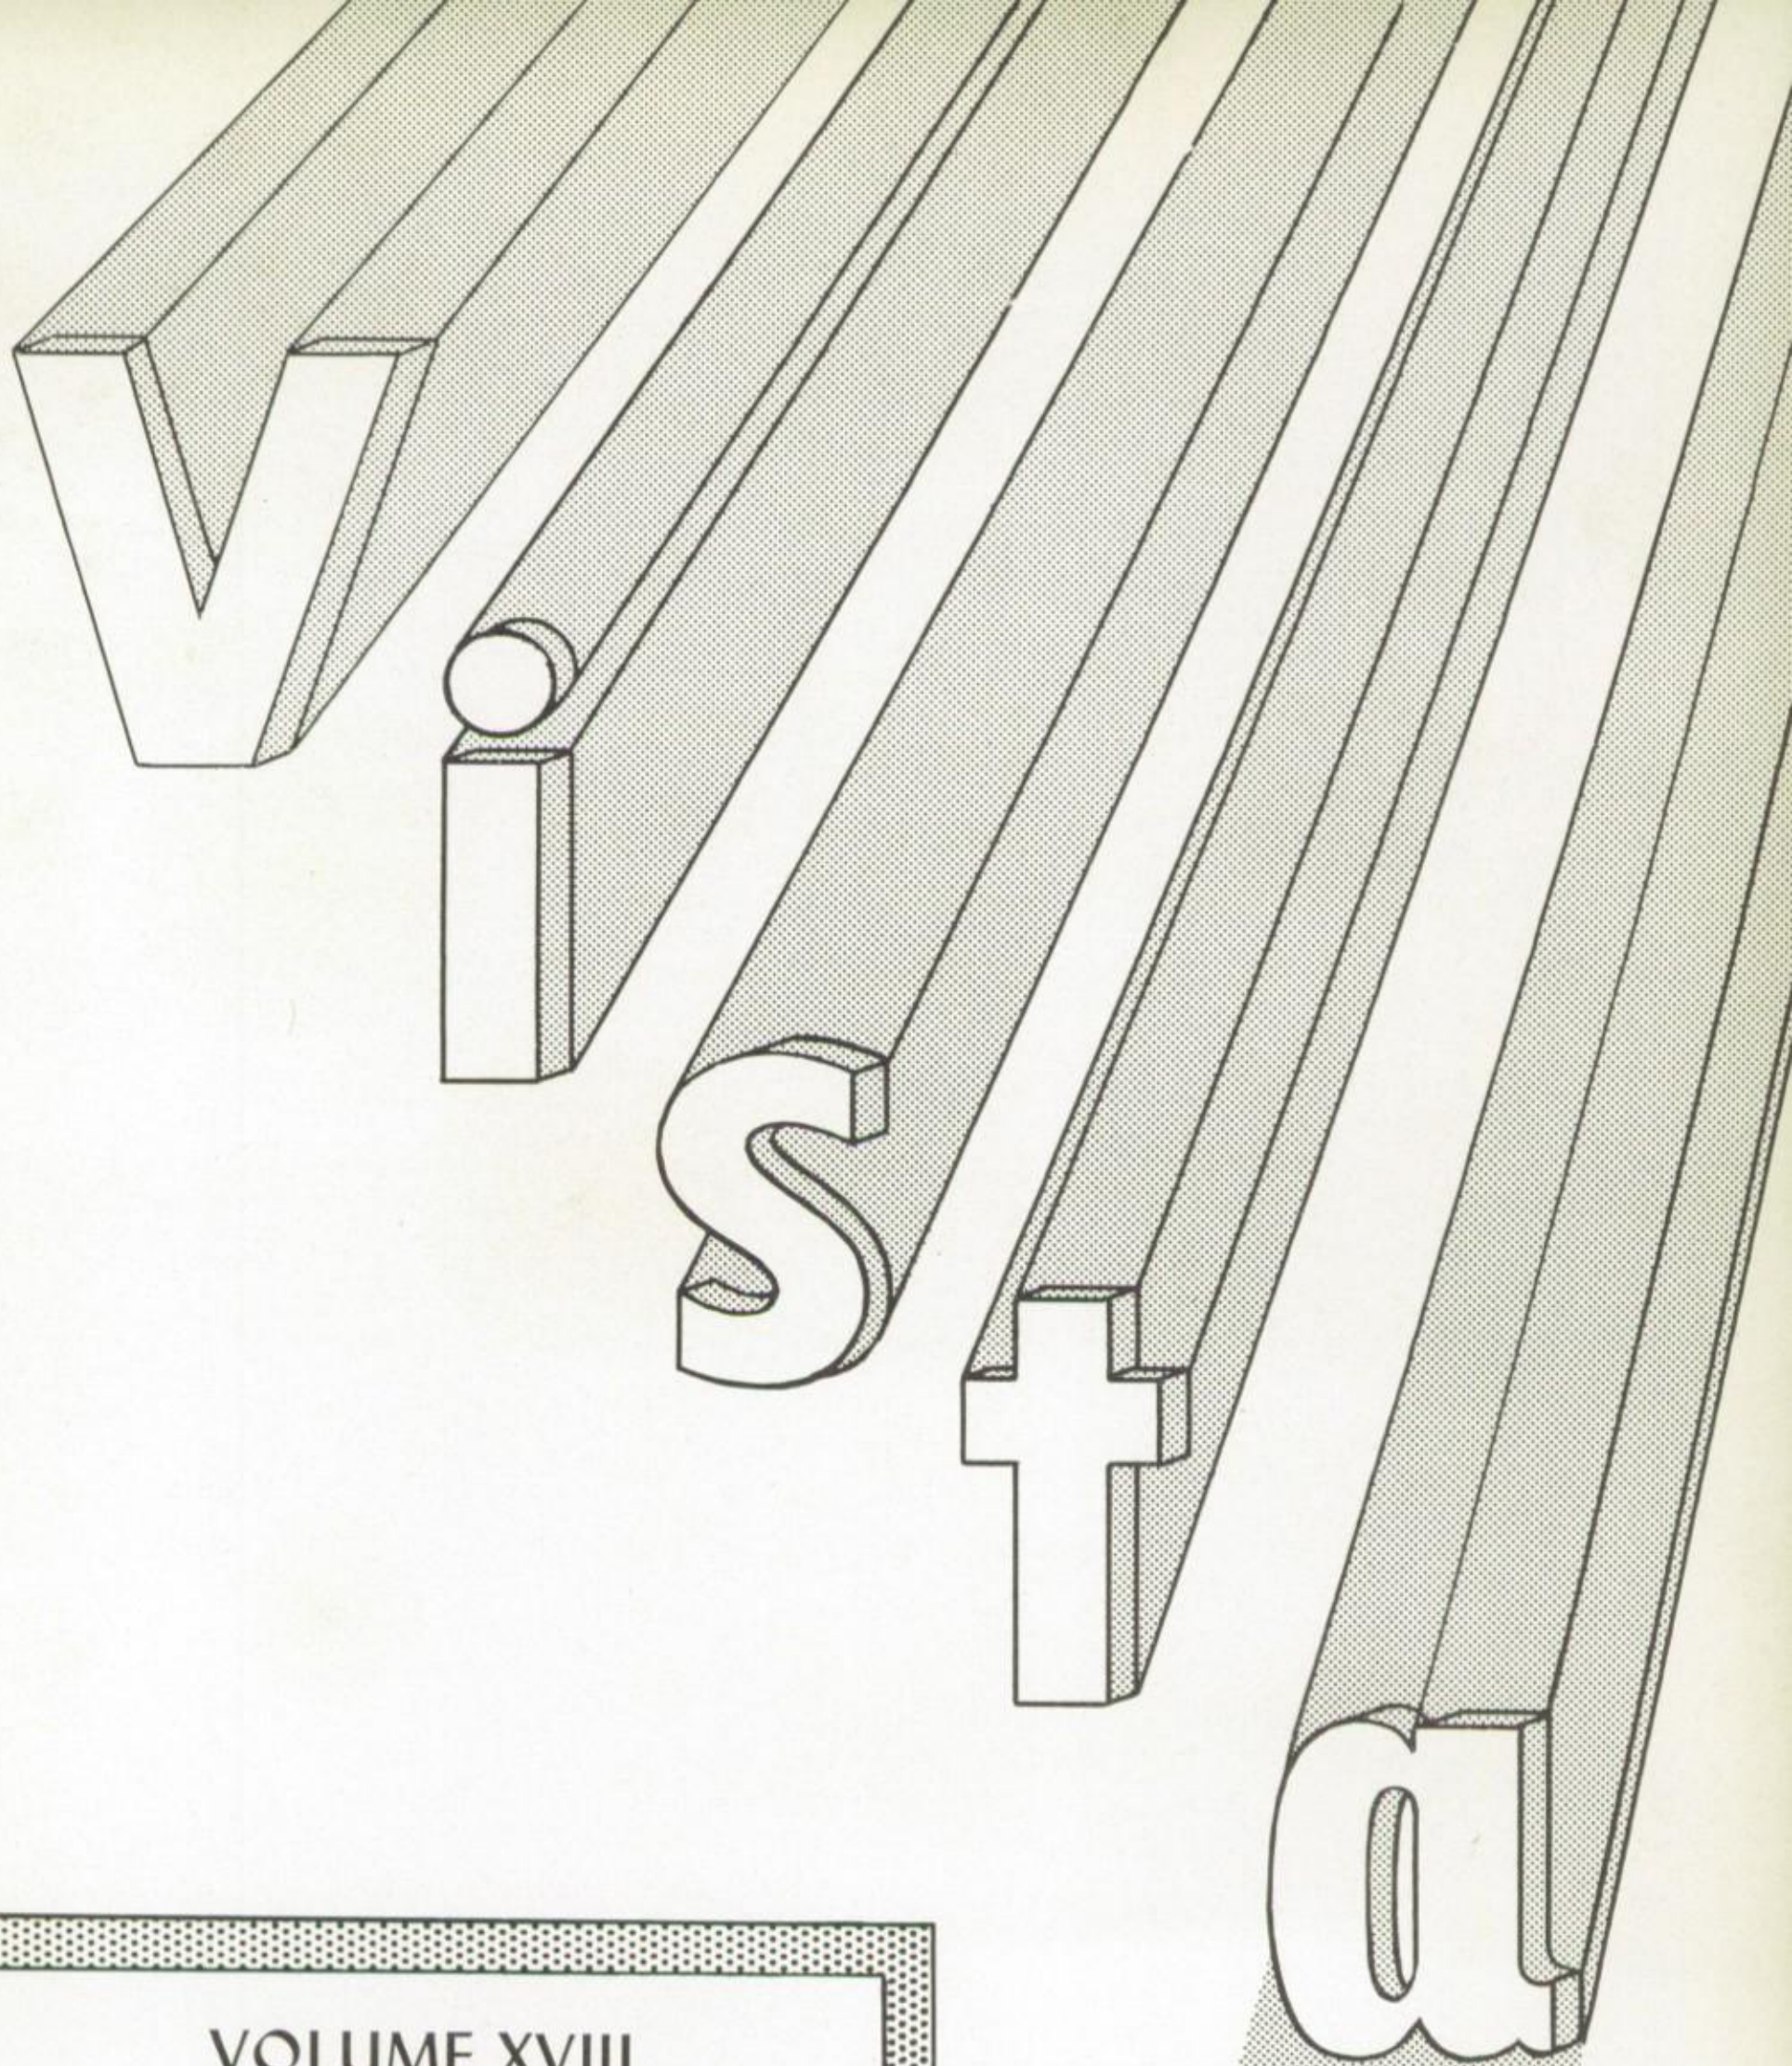

Awarded as Second Prize in our
Scholarship drawing at the 1975
Alumni Assn. Meeting, Harrison, O.

From horses and buggies to the latest model car—crystal sets to television—silent movies to cinemascope—one room buildings to skyscrapers—Kitty Hawk to jet planes—Edison's incandescent bulb to fluorescent lights—aspirin to miracle drugs—gas lights to electricity—the Victorian era of peace and prosperity to the sorrow and fears of World Wars and police actions, economic difficulties, the constant change of styles, and mode of living.

From the class of 1881 to the class of 1955 these happenings have influenced the lives of the youth of Harrison High School. Each class has changed in many ways, yet the youth of yesterday and the youth of today have many things in common. So, in this issue, we follow the class of "55" but keep in mind the classes throughout the years. With pride we present to you this 75th Anniversary issue of the Vista. Follow our guide Peter Pan, the symbol of "Eternal Youth," through the many pages of the book.

VOLUME XVIII
Senior Class
of
Harrison High School
Harrison, Ohio

OF
1955

CONTENTS

Let us tell you about the administration. Everything is run so smoothly that few realize the many things that arise from day to day. The board has the problems of setting up a new school district. Teachers are constantly trying to instill into the students knowledge for future use. These problems are more difficult than most, but are solved finally.

Let us tell you about the seniors. Senior problems are the biggest and best problems of high school careers. From senior pictures in the fall to commencement in May, things arise daily for which seniors must find answers. When senior problems are solved they are ready to advance to the big world of adulthood.

Let us tell you about the underclassmen. The youngsters of the school have many problems to contend with. The freshmen must get over their amazement about high school, the sophomores must sell their magazines, and the juniors must make money for their spectacular prom. The solutions are found eventually.

Let us tell you about the classes. The problems that are created are varied. Getting homework, learning new things all the time, finding that everyone must do his part to make the class interesting. Questions from what is $2X-2Y$ to what does labyrinths mean arise daily. But these problems are solved and students advance.

Let us tell you about the activities. The problems that the activities create are changeable. Naming dances and thinking of original decorations, what plays to give and what parts to try out for, new band formations to learn. But these are pleasant problems which are solved and everyone enjoys the solutions.

Let us tell you about the sports. The coaches must decide on their strategy and train the boys. The results of this training are reviewed in the sports section of our book. Turn to it for a record of the Wildcat teams.

Let us tell you about the Alumni. The old grads wanted to do something special for this 75th Anniversary edition of the Vista. Their section brings back the good old days, when they were here at H.H.S. Turn to the Alumni section of the book and memories return.

Let us tell you about the advertisers. Do you wonder where to buy your groceries or an automobile, your shoes or a home, your clothes or a good meal? If this is your problem, let us help you. In the ads section you will find the solution to many of your purchasing problems.

ADMINIS

TRATION

We Are Guided By Capable And Friendly

It is ancient wisdom that "as a man thinketh in his heart, so is he." It is new wisdom, perhaps, that as a man thinketh **about himself**, in his heart, so is he. And what he thinks about himself is inextricably tied up with his past and present experiences. You, as a member of the largest graduating class in Harrison High School history, have undergone at least twelve years of educational experiences.

Few expenditures we can make yield a greater return than those for education. A well-educated person produces more and consumes more, makes wiser decisions at the poles, mounts a stronger defense against aggression, and is better able to perform the grave responsibilities of American citizenship.

For those who are going on to college, educational experiences will continue much the same as in the past only in a more adult world. Educational experiences will continue for others in nursing, business, branches of the armed services, farming, working in a factory and numerous other ways. Profit by your educational experiences. As the late Peter Marshall, who served as chaplain of the United States Senate, said in making an invocation: "Where we are wrong, make us willing to change, and where we are right, make us easy to live with."

J. R. Sursker

Board Of Education

R. B. Hoffman, D. C. Berry, C. Mott, H. Rudisell, L. Hahn.

The Board of Education that is in charge of the consolidated district assumed control in the Fall of 1954. The board members were all formerly members of the three boards making up the district. Mr. D. C. Berry, President of the Southwest Local School District, was the clerk of the Whitewater Board; Vice President, Loren Hahn, was a member of the Crosley Board; Clerk R. B. Hoffman was clerk of the Harrison Board; member Herbert Rudisell was President of the Whitewater Board and member Mrs. Cora Mott was a member of the Harrison Board.

The aim of the board is to establish the district as one smoothly functioning unit and provide the necessary improvements as soon as possible.

Leaders Who Are Always Trying To

Ethyl J. Wendling
Principal of Harrison High School
B. A. Ashland College
Spanish
Biology
English Literature

Mrs. Wendling is more than a teacher and principal at Harrison High School. She is a symbol of all that is good in education as in everything else. Mrs. Wendling is always ready and willing to help with any problems that occur during the year at H. H. S.

In 1944 when Mrs. Wendling started her teaching profession at Harrison, few realized that she would develop into the guiding light of the school. She has taught Spanish, biology, history, music and English. As adviser of the Senior Class and the Vista she has worked tirelessly for their benefit.

Office Staff

As you enter the door of the principal's office you are greeted by the bright smile of Martha Jacob, the school secretary. Martha is ever ready to be of assistance to anyone who needs help. The cooperation and efficiency of Martha are appreciated by everyone in the school.

Besides her general office work Martha can be seen scurrying around the school doing the many different tasks that arise daily in a high school.

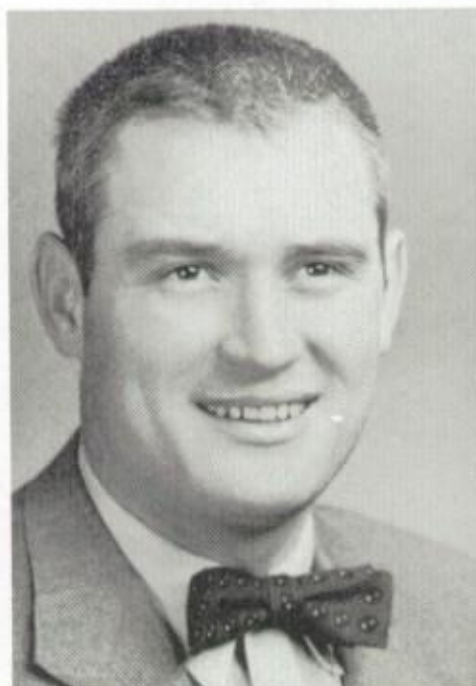

Prepare The Students To Be Able

ALICE HODAPP

B.S. in Education University of Cincinnati. Shorthand, Transcription, Typing, Bookkeeping. Sponsor—Green H; Hobbies—Knitting, sightseeing, and painting.

WILLIAM REVIS

B. S. in Education University of Cincinnati. World History, Basketball. Hobbies—Basketball and model trains.

DORIS LUSK

A. B., B. S. in Education Ohio State; M. in Education University of Cincinnati. English I, Librarian. Sponsor—Honor Society; Hobbies—Camping, reading, French, golf, and swimming.

RALPH VORIS

B. S. Carson-Newman; M. in Education University of Kentucky. General Mathematics, Physics, Geometry, Algebra. Sponsor—Student Council; Hobbies—Watching sport events and playing piano.

DAWN STROVER

B. S. in Education University of Cincinnati. Home Economics. Sponsor—F. T. A.; Hobbies—Casting, bridge, sewing, and bowling.

EUGENE JONES

B. S. Eastern Kentucky; M. in Education University of Cincinnati. General Science, Chemistry, Advance Mathematics. Hobbies—Reading science fiction, handicraft, hunting, and fishing.

GLADYS GRABILL

B. M. in Education Otterbein College. Vocal Music. Hobbies—Farming and cooking.

To Meet Their Future.

BURGESS DOUGLAS

A. B. in Education Morehead State College. Economics, American Government, Sociology, Business Law. Hobbies—Electrical experiments.

WANETA ZEUMER

A. B. in Education Indiana University. English II and III. Hobbies—reading, skating and gardening.

JAMES DOUGHERTY

B. S. in Education University of Cincinnati. Football, Track, Physical Education, Driver Training. Sponsor—Varsity H; Hobbies—Gardening and sport scrapbooks.

JOHN L. HICKS

A. B. Muskingum College. M. A. Ohio State. Latin I, II, Commercial English, Senior Math. Hobbies—Collecting Indian relics.

BEVERLY KLINGENSMITH

B. S. in Education Miami University. Physical Education. Sponsor—G. A. A.; Hobbies—Sewing, swimming and ice skating.

LASZLO RUZSA

B. M. Conservatory of Music. Band. Hobbies—Making movies, and old cars.

ROBERT SCHOENHOFT

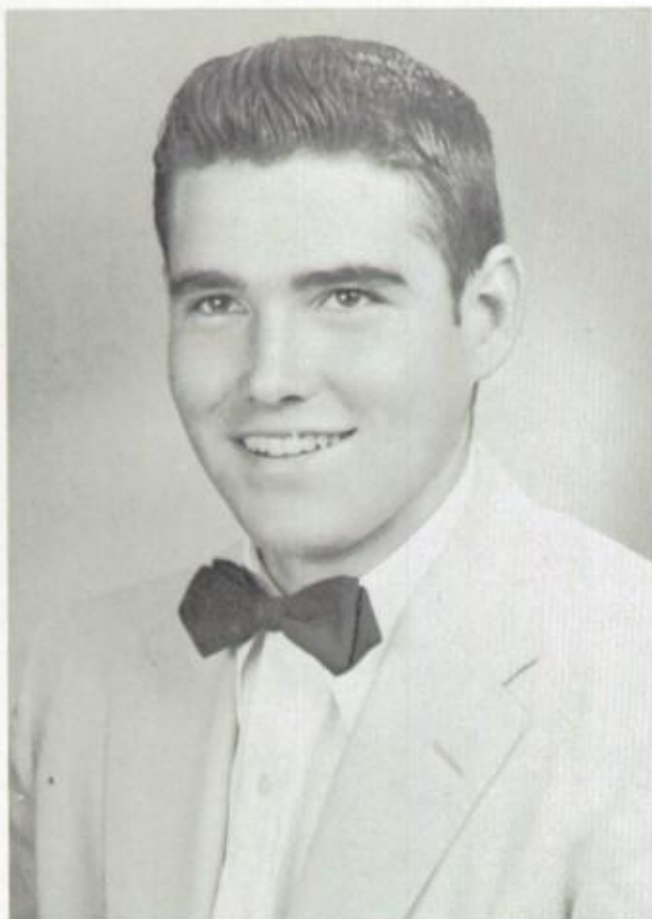

B. S. in Education University of Cincinnati. Industrial Arts, Baseball, Assistant football coach. Hobbies—Sports, hunting, and carpentry.

SENIORS

FRED BLEDSOE

"Gimpy"

"Subject to change without notice."

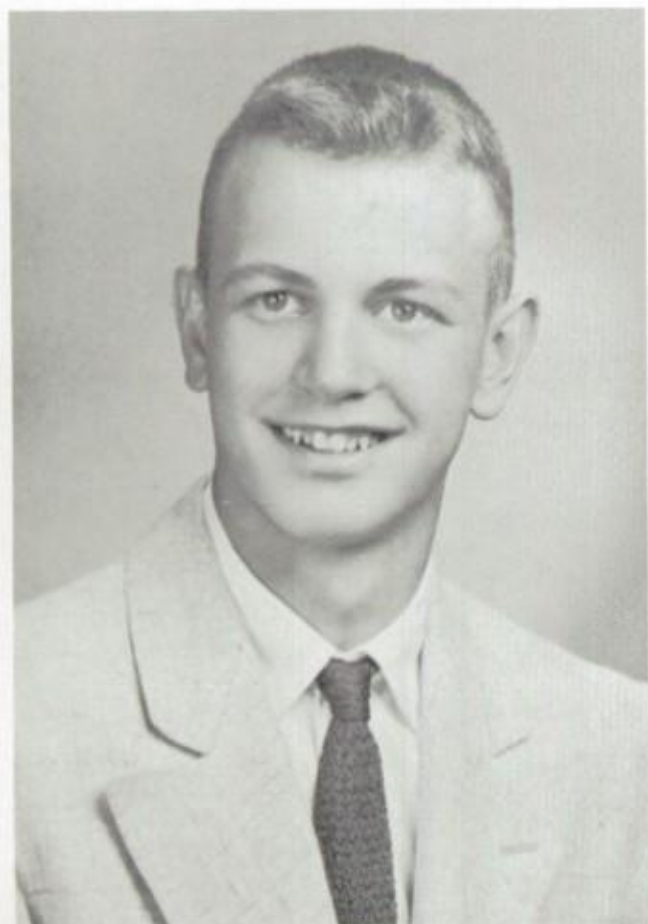

Honor Society 3, 4, (Historian 3); Vista Staff; Student Council 3, 4, (Treasurer 3, 4); Boys' State 3; Class Secretary 2, President 3, 4; Varsity H 3, 4, (Treasurer 3); Latin Club 1; Football 2,3,4; Salutatorian.

As Timid Freshman, Eager Sophomores,

Looking back at our four years at Harrison High it occurs to us that few knew on that September day in 1951 that we were to be the 75th Class to graduate. Unaware of the years ahead of us we entered the portals of H.H.S. to begin to shape the future of our high school careers. The first officers of our class were: President, Ronald Skipton; Vice-president, Ed Harms; Secretary, Janice Willoughby; and Treasurer, Phyllis Ollier. Representatives to the Student Council were John Grubbs and Ed Harms. The class showed their dramatic ability in "The Merchant of Venice" and "Midsummer Night's Dream." Norma Miller was the freshman cheerleader. Miss Hodapp, Miss Lusk, and Miss Grabill helped us to adjust to our freshmen year.

In the fall of "52" we elected Dick Middendorf, President; Ed Harms, Vice-president; Fred Bledsoe, Secretary; Norma Miller, Treasurer. Student Council representatives were John Grubbs, Everett Gabbard, and Ed Harms. Mr. Wendling, Miss Joyce, and Miss Owen were our home room advisors that year. We began our money making activities by selling magazines and sponsoring dances after games. Many classmates were in the glee clubs and band during the four years. The boys showed their athletic abilities in all sports and showed great promise of things to come. Grace Hacker was the sophomore cheerleader.

Embarking upon our junior year we found being upper-

GARY LIPPERT

"Lip"

"A girl's dream, a track fan's hero."

Western Hills High School 1, 2; Class Secretary 4; Dramatics 4; Track 3, 4; Basketball 3, 4; Varsity H 4.

Self Assured Juniors

And Daring

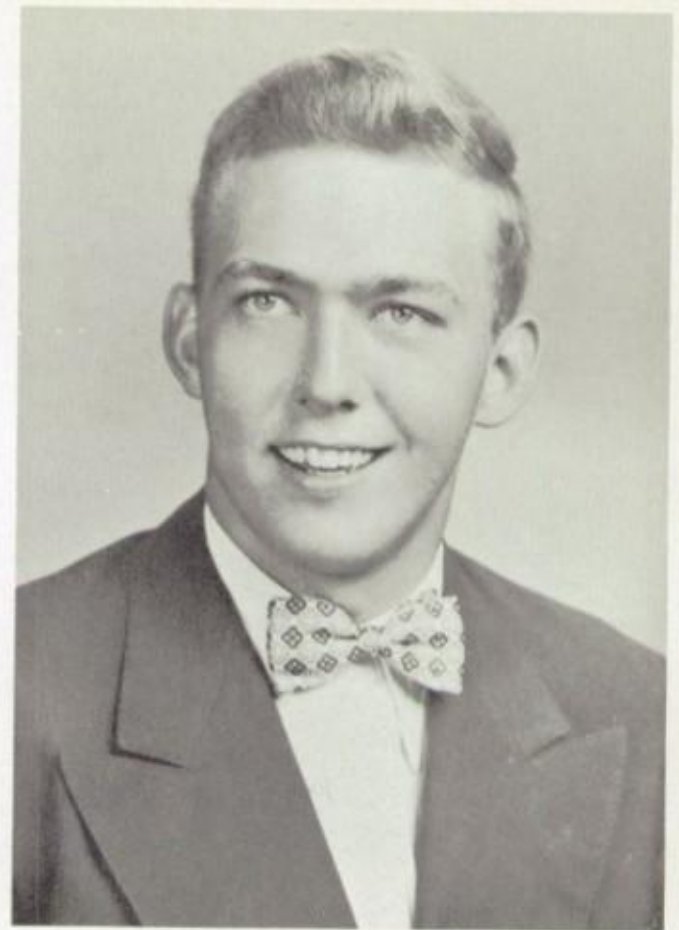

classmen wasn't all laughter and joy. We began work at once to raise money for the Prom which was held at Twin Lanterns on May 20, 1954. Mr. Hicks and Mr. Jones were the advisors of our junior year with Mr. Hicks directing our junior play, "Mr. Beane From Lima." The officers who led us in our junior year were: President, Fred Bledsoe; Vice-president, Wayne Emmert; Secretary, John Grubbs; Treasurer, Pat Grubbs, Fred Bledsoe, Wayne Emmert, John Grubbs, and Everett Gabbard were representatives to the Student Council.

At last we were Seniors and aware that we were to be the 75th class to graduate from Harrison High. Fred Bledsoe was again President with Dick Middendorf, Vice-president; Gary Lippert, Secretary; Gerry Rolfes, Treasurer. Cheerleaders were Grace Hacker and Norma Miller, Student Council representatives were John Grubbs, Wayne Emmert, Fred Bledsoe, Everett Gabbard, and Dick Middendorf. Mr. Voris, Miss Lusk, and Mrs. Wendling were our senior advisors. Miss Lusk directed the senior play, "A Case of Springtime." A group of the girls left April 3, 1955 for a week's stay in New York and Washington. The Prom which was held this year on the Johnson Party Boat was a fitting climax to our four years of activities at Harrison High School.

Colors—Red and Gray

Flower—Red Carnation

Motto—"Today we follow, tomorrow we lead."

RICHARD MIDDENDORF

"Fish"

"Raising Cain on the gridiron."

Roger Bacon 2; World Affairs Club 1;

FUTURE

SENIORS

Standing: Ada Lawyer, Secretary; Dan Woods, President; Walter Batchelor, Vice-President; Kathleen Siegert, News Reporter. **Seated:** Doris Kuehn, Treasurer.

Juniors

The Junior Class of 1954-55 began its first year as upper classmen by voting for officers to lead them through this important year. Dan Woods was chosen president; Walter Batchelor, vice-president; Ada Lawyer as secretary; Kathleen Siegert, news reporter; and Doris Kuehn was appointed as treasurer.

Our next important task was to choose our representatives to Student Council. Dan Woods, Walter Batchelor, Doris Kuehn, and Dennis Knose were elected.

From the very first day as Juniors, we began thinking about the Prom, for which we were to be responsible. The class began work on the project and the Johnson Party Boat was chartered for the big occasion. We all pitched in to make money for the affair by selling pop at games, selling pencils, and working on committees to make a success of our dances.

We were well represented in the field

of athletics. Eckel, DeBruler, Greschel, Hoffman, Knose, and Frazer helped lead the football team through their undefeated season. Eckel, Price, and DeBruler were standouts in basketball, track, and in intramural sports. Many of the girls of the class were active in G.A.A.

Sue Frazer was our peppy representative on the cheerleading squad. Joyce Powers, Bonnie Howard, and Sue Frazer were Junior majorettes who led the band with its many Junior members through its paces at the football games.

We are proud that so many of our class members are active in the various clubs and organizations of Harrison High School and especially proud of the thirteen who were initiated into the National Honor Society.

It is almost certain as we look into the future, that worthwhile things will be produced by the Seniors of '56.

Sophomores

As we began our Sophomore year at Harrison High School, September, 1954, we started our year by choosing the following officers to lead us; Allen Downard, President; Rosalie Goss, Vice-President; Dick Jaisle, Treasurer; and Mike Snodgrass as Secretary.

We are proud of the boys who played on the undefeated football team and we also are proud of the boys of the basketball team.

Our peppy cheerleaders, Jane Schaich and Delores Hudson, led our team to many victories.

Rosalie Goss, a majorette, and Sally

Smith, a flag bearer, led the band through many pretty formations.

Many of the girls and boys joined the Glee Club to get a better chance to sing. We were also well represented in the band.

Several of the girls joined the G.A.A. which gave them an opportunity to participate in more sports and F.T.A. to learn more about the teaching profession.

As we end our long trying year we look forward to next year when we will be upper classmen.

Ruth Grubbs, Secretary; Rose Marie Scavasso, Treasurer; Wilda Farmer, President; Melvin Cassidy, Vice President.

Freshmen

In September, 1954, 106 eager Freshmen enrolled in Harrison High School. We found that our homerooms were to be in the new colony building. Mrs. Zuemer had homeroom A; Mr. Revis, B; and Mr. Douglas, C.

Before school began though, the upper classmen saw to it that we had an ample supply of lipstick. A few weeks later we held a class meeting electing Wilda Farmer, president; Melvin Cassidy, vice-president; Ruthie Grubbs, secretary; and Rose Marie Scovazzo, treasurer. Quite a few boys went out for football. Ted Harless and Jim Rolfes were on the Varsity team and several more were on the Reserve team. When basketball began, the Freshmen again were well represented.

Sue Small and Linda Clark were our representatives for Student Council. Linda was also the pianist for Mixed Chorus.

Ruth Grubbs was chosen to be a cheer-

leader for football and reserve basketball. Judy Kuhlman was a flag bearer and Janet Zimmer substitute flag bearer. Also in the band were Pat Noes, Sue Metzger, Charlie Nelson, and Jerry Fitzpatrick.

Many of the Freshmen joined the different clubs. Several girls who have ambition to be in the teaching profession joined the F.T.A. The sports minded people have joined the G.A.A. where they enjoyed soccer, ice skating, bowling, and many other sports. Quite a few joined Glee Club. Becky Lane and Nancy Hahn were members of the Triple Trio.

The dance we sponsored after the Milford game proved to be a success. The money we made got our treasury off to a good and promising start. We enjoyed our Freshmen year, and look forward to coming back to Harrison High for our Sophomore year.

CLASSES

The Student Has A Varied Diet Of

The girls who are in the Home Economics class learn to do many things to be utilized in their homes of the future. Besides learning the arts of cooking and sewing the girls also are taught the points of good grooming and how to improve their personality.

During the year they cook many different things to delight and sometimes horror of the noses of the students in their classes.

As Latin is the mother-tongue of the civilized world the school is glad to be able to offer such a good course in Latin. Since we can hardly speak a sentence

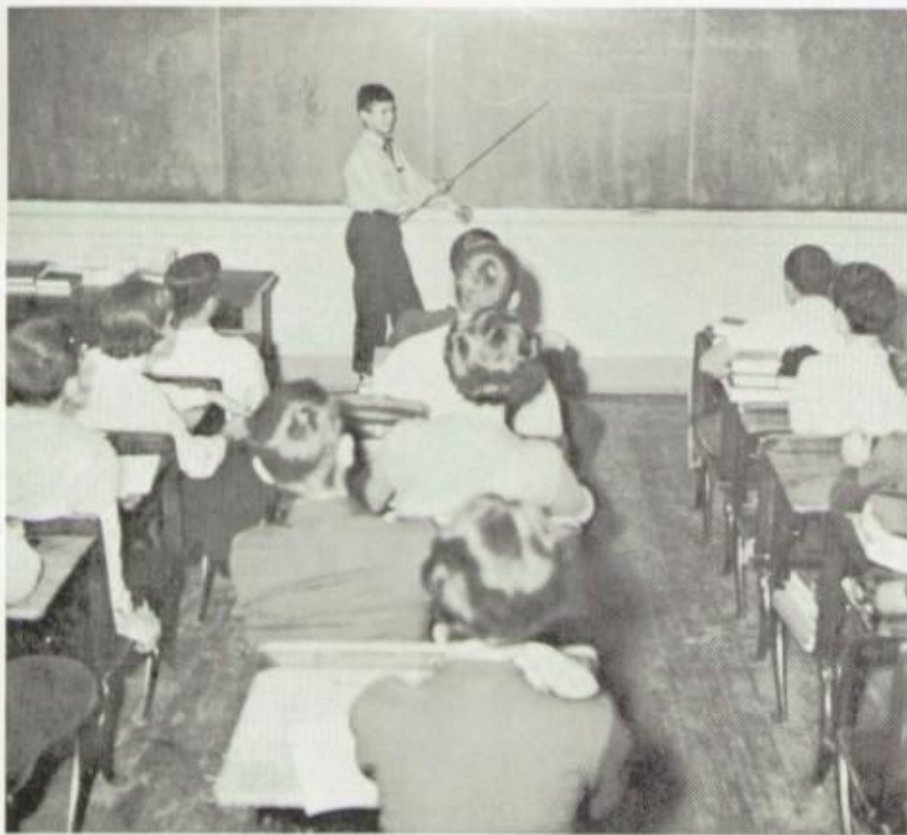

without using Latin words the class also improves its knowledge of English. This romance language is said to be dead, but, of course, no one in Latin class agrees with this.

The Commercial courses of the school are quite practical, especially to the girls who wish to find a job after they finish high school. This doesn't exclude boys, though, because they are in most of the commercial classes.

Miss Hodapp does all sorts of little things to make classes more interesting and more profitable.

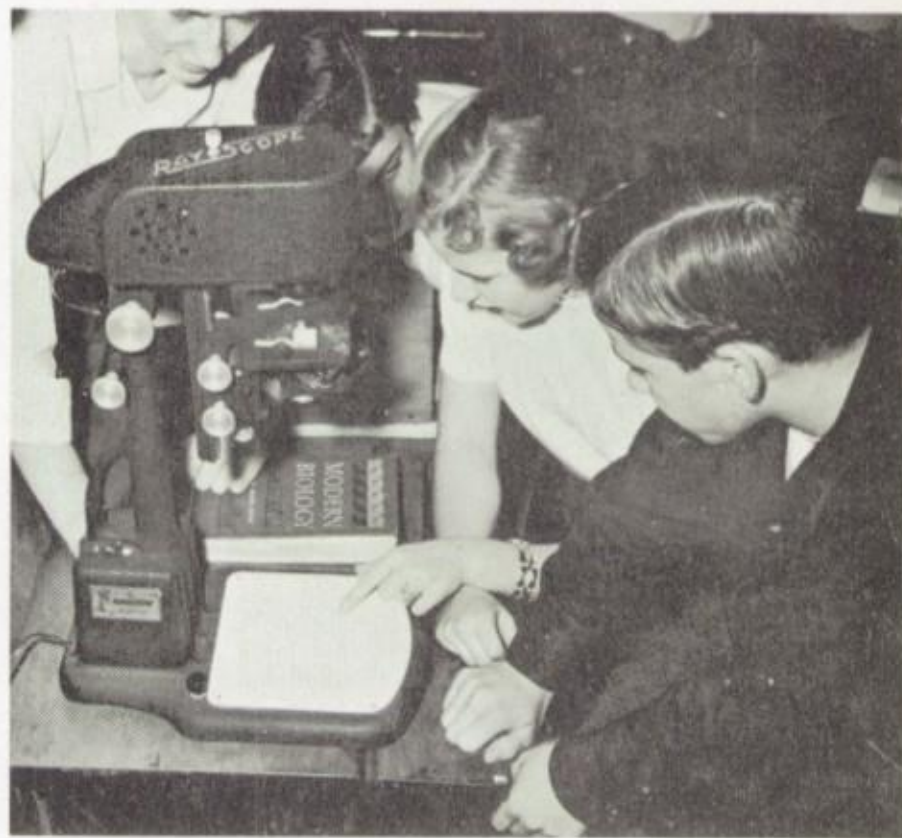

Classes Through The Four Years. He . . .

There are a bunch of squares around this school. They are the pride and joy of a member of the faculty, Mr. Voris.

They learn how to draw squares, rectangles, triangles, and other weird figures. They also learn how much weight to put on the end of a teeter-totter to balance oneself. Another thing they learn is how to be guided by a compass, not in navigation, but in drawing.

In biology the students learn the basic facts about the science of life. The classes now benefit from the newest piece of equipment, the Rayoscope. Vegetables that are

really fruits, and the reproduction of plant life are delved into thoroughly.

At first, the students are nervous at the prospect of cutting up little varmints, but later think that it is fun.

A gay Mexican setting and tasty enchiladas, tortillas, saffron Spanish rice, and hot spiced chocolate were all the second year Spanish class needed for a Fiesta. "Chistes" and fun mingled with conjugations and themes and before we realized it, the time had arrived for reading novels. After that, Vaya Con Dios, Amigos!

Learns By Doing And Then Applying

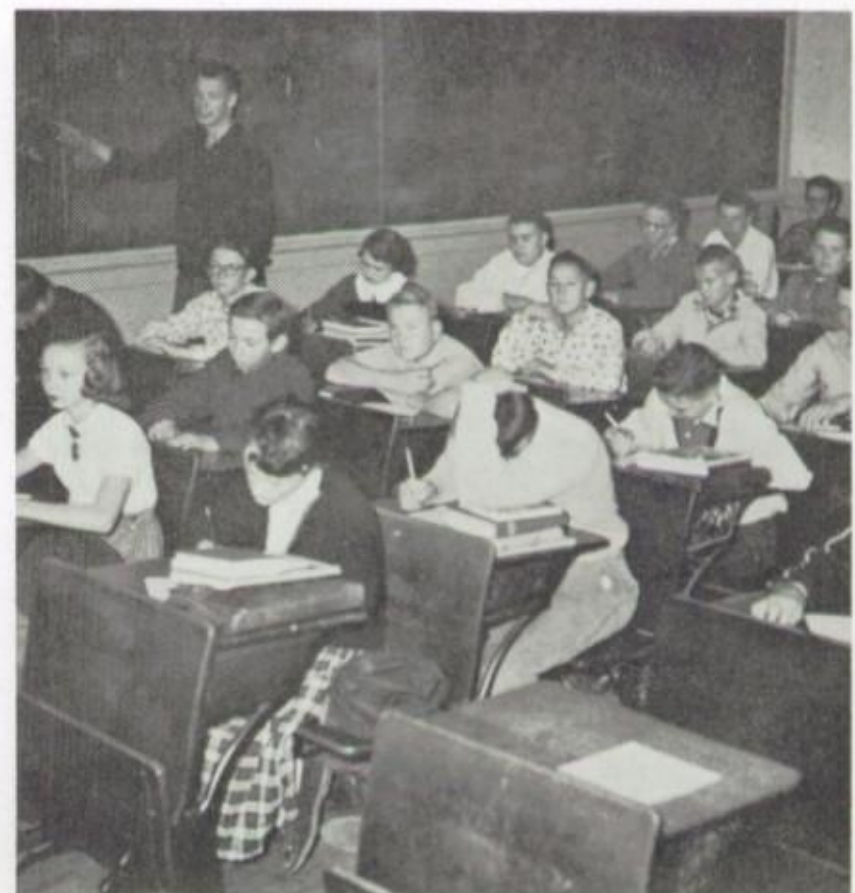

In Driver's Education the students learn all there is to know about operating a car. From shifting gears to fixing tires, the future drivers learn to become good menaces of the road. Mr. Dougherty is taken for many a thrill ride but seems to survive year after year. Of course, he cannot get anyone to renew his life insurance but that is life.

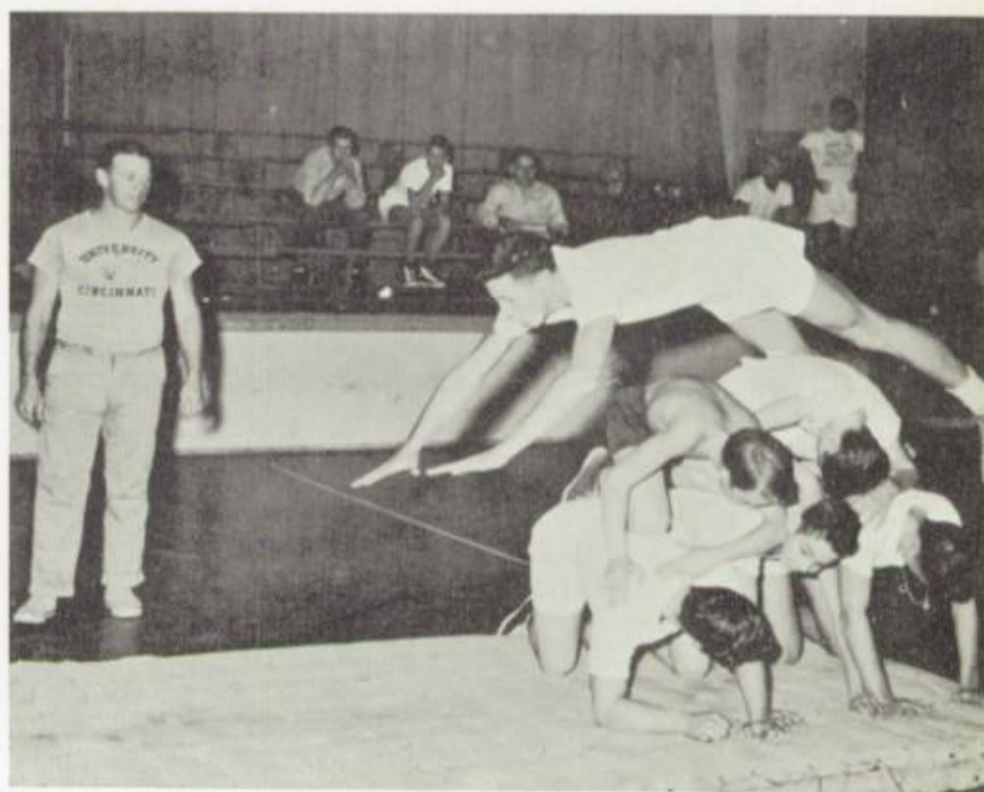

The boys in the Manual Training Class make many beautiful pieces of furniture during the year. It is often surprising what the boys can do with a drawing and a piece of lumber, but if anyone can do it, Mr. Schoenhof

and his crew can. The boys made bookcases, hat racks, end tables, and many other "valuable" objects which were appreciated by their families.

English I is a class that everyone looks back on with fond memories of Miss Lusk and Shakespeare, writing themes, learning parts of speech and the other "tortures" that are put up with in the learning of our native language. A different way of learning the parts of speech was employed this year. A skeleton was used as a sentence and his limbs as the different parts of speech.

The Knowledge Which He Has Gained.

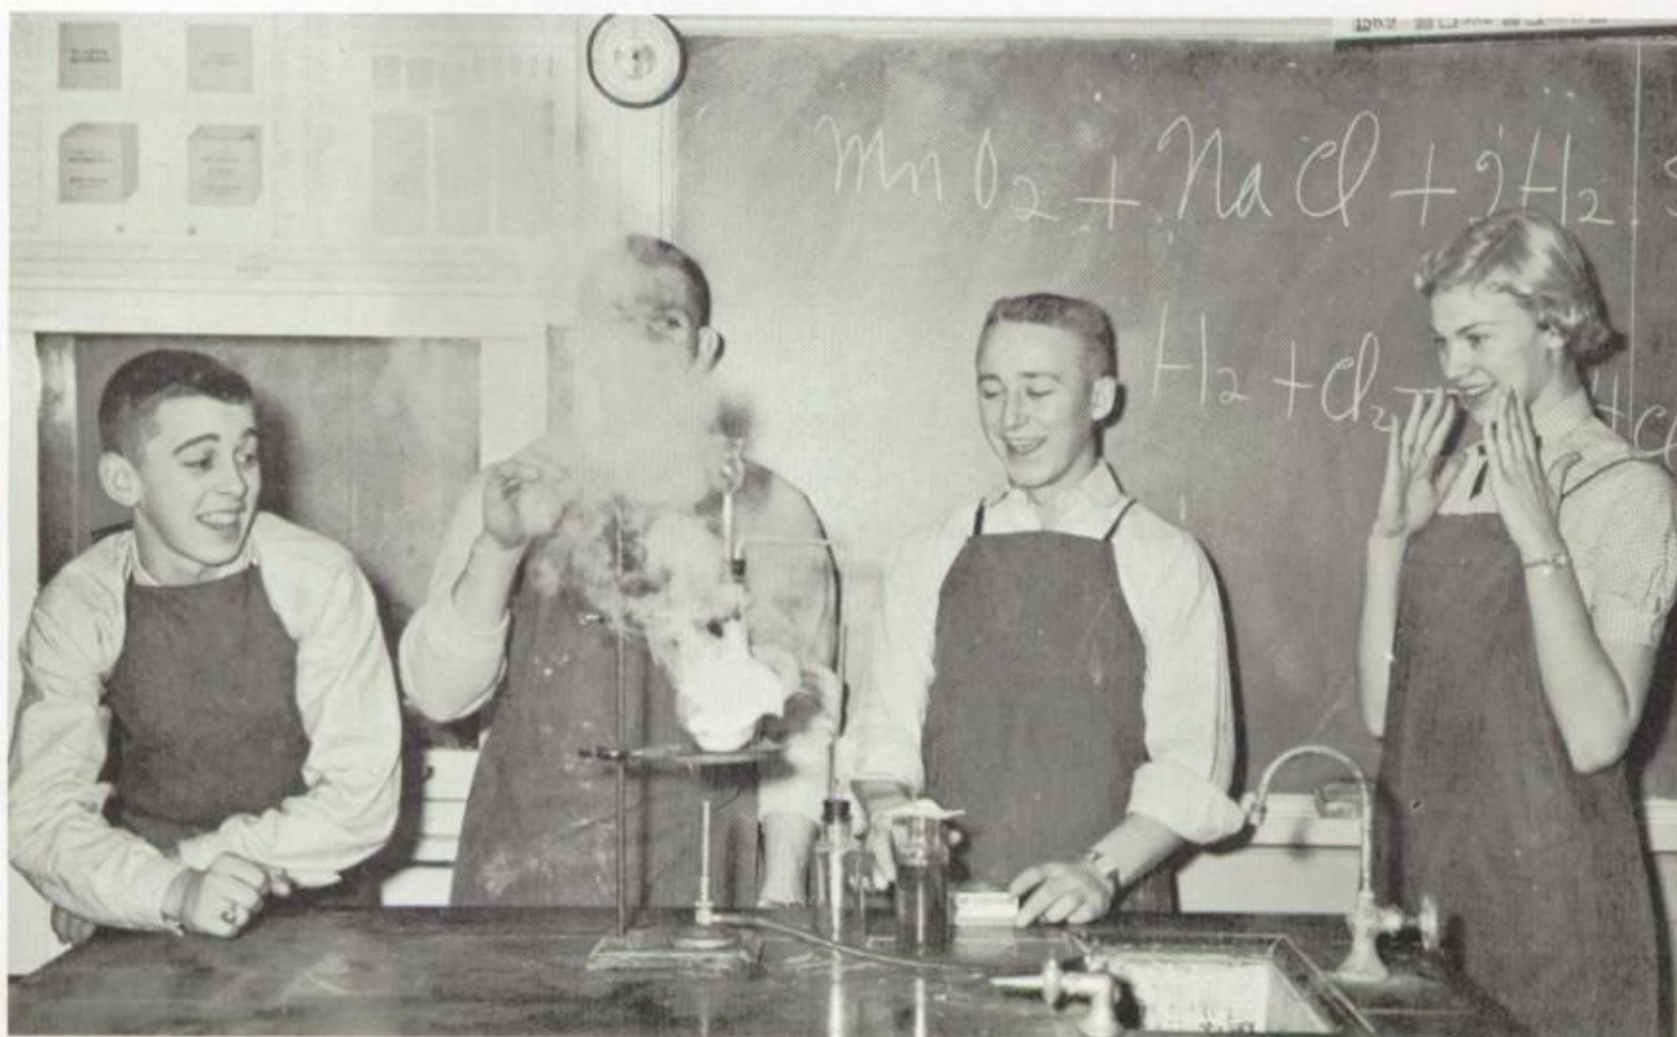

The education which is received in American Government class is something which the student can use forever. All the laws of the land are thoroughly taught by Mr. Douglas in the hope that his students will remember these laws when they become the voting citizens of the land. This year the class made workbooks covering the election returns of the 84th Congress so that a complete history could be kept for the classes in future years.

All of the experiments in Chemistry don't turn out perfectly but few blow up which is something to be

thankful for. The students learn all about atoms, balancing equations and all the different chemical aspects of the earth. Students go into the class calling HOH water but come out calling water HOH.

The boys in the physical education classes seem to enjoy this class more than others from the wild sounds which come from the gym. The highlight of the classes this year was tumbling which some of the boys become very expert at. A team composed of the best tumblers performed at basketball games.

Honor Society

Achievement in scholarship and outstanding participation in school activities are necessary for the membership in the Harrison Chapter of the National Honor Society.

Only upperclassmen are eligible for membership but this year at a formal initiation the Sophomores who would be eligible next year if they met the requirements were announced and each presented with a blue and gold ribbon to remind them of the forthcoming honor.

This formal initiation instilled in all the importance of the Honor Society to the high school and gave students the desire to work harder and become a member of this group.

The officers of the Honor Society are: Nancy Schlemmer, president; Jane Hawk, Vice-President; Kathleen Siegert, Secretary; Carolyn Leeker, Treasurer; and Jerry Barnes, Historian.

Student Council

The biggest function of the Student Council might be symbolized by a pointing finger. The job of directing and supervising all activities is a very hard job sometimes.

This year, as every other year, has seen the Council, with their sleeves rolled up, wading into several big undertakings. One of these was the basketball games at noon. They gave the students something to do at noon. They

also showed a movie at the Christmas Assembly. One of the other projects of the Council was to keep everyone well informed on the happenings around H.H.S. by calendar in the Student Council display window.

The officers this year are: John Grubbs, President; Dennis Knose, Vice-president; Rae Buell, Secretary; Fred Bledsoe, Treasurer; and Walter Batchelor, Sergeant-at-arms.

Green H Was A Record Of School Life,

Green H Staff: Jane Hawk, Dan Woods, Marilyn Kaiser, Doris Kuehn, Reta Poland, Joy Roevers, Lois Swisher, Jerry Barnes, Everett Gabbard, Walter Batchelor, Joan Bybee, Lois Chapplow, Marjorie Searcy, Bonny Howard, Joyce Powers, Jane Schaich, Sally Smith, Eileen Ennis, Evelyn Ennis, Wanda McQueen, Shirley Wolfe, Anna Bain, Carl Campbell, Iva Rudisell, Ada Lawyer, Jim Harper, Harold Perkins, Nancy Yaney, Wanda Farmer, Eileen Fuchs, Priscilla Sabatelli, Kathleen Seighert, Ann Warburg, Pat Kocher, Carolyn Leeker, Bertha Brickner, Barbara Ecklar, Sue Frazer, Rosalie Goss, Peggy Smith, Shirley Stone.

Green H

The staff of the Green H has done a splendid job of putting out a school newspaper to be very proud of. The handbook, containing all the rules of the school, which they published at the beginning of the year, has been a help to everyone, especially the freshmen and new students.

Under the leadership of Miss Hodapp, the adviser, and the co-editors, Jane Hawk and Dan Woods, the paper has become a monthly highlight of school life eagerly awaited by everyone.

Two new methods of financing the paper have been introduced this year. The paper is sold by subscriptions instead of just single copies. Also, ads were sold to the local businessmen.

Library Staff: Anna Bain, Rita Poland, Rae Buell, Iva Rudisell, Martha Mapes, Pat Kocker, Sue Metzger, Joan Searcy, Jean Searcy, Wanda Ellis, Marilou Lambros, Evelyn Ennis, Eileen Ennis, Alice Reatherford, Shirley Campbell, Rochelle Metzler, Carolyn Leeker, Elaine Miller, Anna Woodrum, Dorothy Walter.

Library Staff

The Library Staff under the able leadership of Anna Bain, head librarian, and Miss Lusk, advisor, does much to make life easier for the students of Harrison High who have the task of research or finding a book for a report.

Janet Berry kept the bulletin board in Room 10 bright and cheery with her art work pertaining to points of interest to readers.

The staff learns many things of interest. They learn to repair books, check books in and out, also catalogue books and numerous other things.

Miss Lusk improves the library more every year and deserves our vote of thanks from all the students who benefit from her efforts.

This page sponsored by
HARRISON MINISTERIAL ASSOCIATION

The F. T. A. Show, Red Cross Dance,

F.T.A.

The F.T.A. got off to a good start with the initiation of twelve new members. The girls looked like something from outer space in their burlap bag dresses and pigtailed hair.

The preceding spring, elections had been held and the following officers were elected: President, Doris Kuehn; Vice President, Sue Frazer; Secretary, Ann Warburg; Treasurer, Ada Lawyer; Historian, Sally Smith.

Each of the members graded papers, taught in the grade school, and worked in the office to make points towards a certificate.

At Christmas, the F.T.A. sent food, toys, and clothes to a needy family.

The real highlight of the year for the F.T.A. was the Pantomime Show which is becoming an annual event. The girls showed again that they really had talent in the field of pantomime.

First Row: A. Warburg, S. Frazer, N. Yaney, S. Nelson, K. Siegert, A. Lawyer, D. Kuehn, D. Turner, R. Goss. Second Row: S. Smith, J. Schaich, M. Kaiser, H. Gaiser, J. Hawk, R. Poland, L. Swisher, B. Junior Red Cross Council

In Junior Red Cross, "We care and we share" is the motto.

To start their year, the council had their annual enrollment campaign in which those who contributed received cards and buttons. A dance was held during a long noon hour and only contributors were admitted. The homerooms filled gift boxes in February to be sent to the areas in need.

Doris Kuehn and Nancy Schlemmer were the school's representatives to the Hamilton County Chapter of J.R.C. They attended the many meetings in Cincinnati to learn more for the council.

The officers were: Nancy Schlemmer, president; Doris Kuehn, Vice-President; Joy Roever, Secretary-Treasurer. Miss Strover was their capable advisor.

First Row: J. Roever, D. Kuehn, Miss Strover, N. Schlemmer, E. Miller. Second Row: P. Smith, S. Burk, M. Miller, J. Adams, P. Davis, W. Farmer, T. Harless, E. Smith.

G.A.A. Bowling, Varsity H-Faculty Game

G.A.A.

This year has been the most active in the history of the G.A.A. at Harrison. The officers this year were: President, Bertha Brickner; Vice President, Sue Frazer; Secretary, Doris Kuehn; Treasurer, Sally Nelson.

A new constitution was drawn up and approved by the Student Council. A system of presenting awards to the members who meet the requirements was brought into effect. The awards were presented at a picnic just before school was out.

The sport which really was enjoyed by every member of the association was bowling. Six teams were organized, each team bowling twice a month.

Other sports which the G.A.A. participated in were, soccer, basketball, volleyball, softball, tennis, and ice skating.

Mrs. Klingensmith, the advisor, deserves a big cheer from all G.A.A. members for all her help.

First Row: D. Kuehn, B. Brickner, S. Frazer, S. Nelson. Second Row: M. Mapes, J. Berry, G. Rolfes, P. Smith, C. Leeker, C. White, M. Fries, M. Blades, J. Willoughby, K. Siegert, M. Kaiser, F. Bowman. And Vista Vue's Anniversary Party

Left to right: Margie Burns, Nancy Hahn, Lenny Case, Rhonda Handy, Darla Chase, Lana Lippert.

The Vista Vue this year was patterned after an Anniversary Party celebrating the 75th year of commencement at Harrison High School. The host, Bob Keen, introduced all the participants, who did an excellent job of entertaining the audience.

After the three groups of talent had performed, the girls of the Vista Staff put on a style show displaying the garments worn by women down through the years. Eight girls paraded in the becoming styles of the preceding years. Everyone enjoyed reminiscing the past in

this way. The audience was then entertained by the Sun Valley Boys.

After this interval, during which the judges had been making their decisions, Bob Keen announced the winners in the different groups. In the first group: Linnie Case received first prize and Rhonda Handy, second prize. The next group winners were: Lana Lippert, first prize; Darla Chase, second. The high school winners were Margie Burns, first prize; and Nancy Hahn, second.

Brickner, L. Swisher, S. Nelson.

Vocal music groups at H. H. S. are the girls and boys glee clubs, the mixed chorus, the girls triple trio and the boys quartet. The latter 2 groups were reactivated this year. They are under the direction of Miss Grabill.

The mixed chorus sang the beautiful Halleluiah Chorus in the musical Christmas program given for the P. T. A. and student body. The glee clubs also

had a special part in this program and have provided music for other P. T. A. meetings. The girls triple trio have sung at P. T. A. and at programs throughout the community. All the groups took part in the Spring Concert which replaced the annual Operetta. Several of the groups provided music for Commencement and Baccalaureate.

Boys Quartet—R. Taylor, D. Woods, D. Sweeney, R. Humbert.

Girls Ensemble—**First Row:** C. Leeker, R. Poland, N. Schlemmer, L. Clark. **Second Row:** G. Hacker, S. Stone, A. Bain. **Third Row:** N. Hahn, D. Kuehn, J. Kulhman.

Stepping Majorettes — Bring On The Band.

When spectators go to Harrison High football games they just naturally expect to see the Harrison High Band and a fine half-time program whether at home or away.

The Band, under the direction of Mr. Lazlo Rusza had rehearsal two days a week. During football season, two periods a day and the rest of the year, one period.

The band put on their regular pregame and half-time shows and this year they tried something new, using fireworks in the half-time programs. Of the many ground displays the ones liked best were the football and the letters spelling out CHAMPS.

Football games are not the only time the band makes appearance. They march at affairs throughout the community, such as the Hallowe'en parade, election day, and Memorial Day parade. At Christmas time they went around town playing Christmas carols

and gave a program of Christmas carols for the student body.

Yea team, fight, fight, fight. Those are the crys of our fine squad of cheerleaders. Part of the success of our teams at H. H. S. this year was due to the fine job the cheerleaders did in leading the students in cheers. When the boys heard their cheers they knew that they had the whole school behind them and just naturally played a better game.

One of the first things that takes place with the opening of school is the election of cheerleaders.

Varsity cheerleaders this year were: Grace Hacker, Norma Miller, and Sue Frazer. Reserves were: Jane Schaich, Delores Hudson, and Ruth Grubbs.

The sponsor for the girls was Mrs. Klingensmith who worked very hard with them and introduced new ideas.

We Enjoy The Variety Of Assemblies,

Melvin Ehrin captured the interest and imagination of the audience with his pleasant personality and ability to combine a comedy style with the concert piano. Everybody enjoyed his comic mimicry of styles in popular music and his quick but sincere change into the sensitive playing of classical music.

Popular entertainment is marionettes and more marionettes. The McCrea Marionettes in The Legend of Sleepy Hollow were remarkably presented at a full house assembly. The marionettes were one-third life size and hand carved from wood. Two puppeteers handled all thirteen characters and all of the voices as well.

Terry Golden, glamorous in his hirsuteness, sang his way through a program of ballads and many, many graciously granted encores. The show involved audience participation in several songs and a group of eight did a fine square dance.

SUNSET INN

Whether Homemade Or Packaged.

Magician Roy Mayer presented a very mystifying show of prestidigitation as he held the audience spellbound while making things disappear and reappear. His nimble fingers presented baffling effects in magic, mystery, and illusion.

In a Driver's Safety Assembly the women proved themselves to be better drivers than men. A movie was shown illustrating seven types of drivers and the results of their actions on the road. Then the entire student body went outside for a safety demonstration on braking. The women competed against the men and won, of course.

The Honor Society presented an assembly featuring a spelling bee with twelve students participating. This proved to be quite an interesting experiment and the audience was remarkably receptive. The winner was presented with a key to correct spelling and a pin inscribed with, "Spelling Bee, 1955."

Audience With "A Case Of Springtime"

If you're all ready, let's go.

Well, I did it!

Won't anyone let me explain anything?

Contrary to the usual procedure at H. H. S. the Senior Class Play was scheduled for the fall this year. November 23 was the date the Seniors presented their annual production entitled, "A Case of Springtime." This play was a comedy in three acts written by Christopher Sergel and under the direction of Miss Lusk. The play was based on a portion of the life of a typical teen-age boy, or was he really so typical. Do you know many teen-age boys whose hobby is magic? Bob Parker's was magic and because it was he found himself in so much trouble that even magic couldn't get him out.

The story centers around the fact that Bob Parker while performing a magic trick almost cut his girl friend in two. His girl friend is Joan Abernaker who is the daughter of the high school principal. Mr. Abernaker the principal is very angry because the trick went wrong. He is even more upset when some of Bob's tricks go wrong while being tried on him.

Dickie is Bob's younger brother whose hobby was muscle building. Gwen is Dickie's girl friend whose devotion to him is undying. She is willing to bring him candy just to be able to walk to school with him and to carry his books is quite an honor. They try their best to help Bob as do Betty, Bob's sister and her boy friend, Eddie. Mr. and Mrs. Parker are so disturbed they don't know what to do but of course are on Bob's side. There is Louella, the Parker's maid, who is very unconcerned about the whole matter. Mrs. Brunswick, Mrs. James, and Mrs. Hill, the ladies of the P. T. A. are sure Bob is guilty of everything and then some and should be expelled from school and put in jail. Then there is Miss Bright the lady from the zoo and the plainclothes man who are out to find the missing animals from the zoo. Bob thinks the animals are rabbits but they are really chinchillas. In the end everything turns out fine for all.

Stage hands.

Make up!!

Work, Work, Till The Brain

Operation Annual was capably guided through the months of work by Nancy Schlemmer, Editor-in-chief. Her timesheet and work-chart, always at hand and up-to-date, were a source of great satisfaction to the staff. Phyllis Ollier, business manager, kept a gimlet eye on the expense accounts and managed to veto such Bledsoian, Emmertian or Humbertian ideas as buying the skating rink to improve financial stability. Bertha Brickner had the nerve-wrecking job of writing copy, picture captions and headlines, planning, editing, and rewriting much copy until it met not only with her approval but passed the kibitzing crowd always reading over her shoulder. She had real help in this molding of the King's English from Carolyn Leeker.

Anna Lee Bain and Bill Dunaway had the task of button-holing people and convincing them that now was the time to buy their Vistas. Sales managers may come and go but the ones with ability and the quick wit of Anna Lee and Bill are hard to find.

Fred Bledsoe, advertising manager, with his staff of ad salesmen presented an effective offensive and successfully sold ad space to both old and new patrons. Wayne Emmert, sports editor, kept a weather eye on all athletic events for the staff and enjoyed his job of "see-all-tell-all." The third member of this Triumvirate, Bob Humbert, promotion manager, was our idea man, and believe it or not,

W. Emmert, R. Humbert, F. Bledsoe.

Work, Work, Begins To Swim.

some of his ideas made the wastebasket, but fast.

Making a deadline depends to a great extent on a good production staff, typists who ask not "why?" but type, before school, after school, during study periods, whenever their help is needed. These girls, Peggy Smith, Gerry Rolfes, Margie Searcy, Janice Willoughby, Grace Hacker, and Shirley Campbell have most graciously carried out that assignment. The seventh period typing class helped whenever we were in a tight spot.

"Where's the dummy?" "Who has my ruler?" "Toss the art gum!" Only from the lay-out table could such cries be heard. John Grubbs and Art Butler had to argue long and hard to out-talk Shirley Stone in her photography arrangements.

"Watch the birdie!" Who else but a photographer? Whenever a flash is seen, it is usually a student photographer, Carroll Metzger, or maybe Shirley herself taking activity pictures. This year the Polaroid has really seen things. The art staff, Janet Berry, Mike Snodgrass, and Jim West have been quite busy. Mike has had quite a work-out drawing his cartoons.

Perhaps you peered into Room 9 and saw a frustrated student muttering about deadlines. Chances are that that poor wretch was a Vista Staff member giving his weekly quota of "blood, sweat, and tears" to get the Vista out on time.

Football Queen Honored By Student Body

N. Miller, K. Siegert, P. Ollier.

Two convertibles rolled slowly onto the field, everyone in the stands was up and straining his neck to see who was in the first car. A murmur of "Who is it?" ran through the stands. At last the cars came on the field in front of the stands. In the first car driven by Everett Gabbard rode Miss Kathleen Siegert, Homecoming Queen of the 1954 football season. In the second car, driven by Gene Berry, rode Phyllis Ollier and Norma Miller, the Queen's attendants.

The cars, followed by the band, go slowly up the field and come to a halt in the middle of the

gridiron. While the band stands at attention, Jerry Young and Clyde Eckel, co-captains of the game, come onto the field. Clyde crowns Queen Kathleen and presents her with flowers, while Jerry crowns Phyllis and Norma. To the accompaniment of the cheers of the Capacity Home Coming Crowd the Court then returned to the special section of the stands.

After the game, a dance sponsored by the Juniors in honor of the Queen and her Court was held.

Dance Highlights Christmas Season

Christmas comes but once a year, bringing tidings and good cheer. Yes, that's true. Christmas does come but once a year and that is why the Juniors went all out when they sponsored the annual Christmas dance. They helped to spread the Christmas spirit to the students of Harrison High.

On December 18, fellows and girls, dressed in semi-formal attire, assembled at the gaily decorated gym for the annual Christmas dance. The ceiling was draped with red and white crepe paper in order to make it appear lower. In the baskets at each end

were small evergreen trees lighted with blue lights. No Christmas-time affair would be complete without the mistletoe which was also part of the decorations.

On the back drop of the stage were found realistic looking red and white candy cones and streamers of red and white crepe paper. The stage was also the setting for the orchestra known as the "Vamps" whose delightful music was enjoyed by those dancing and those just listening. Refreshments were served in the cafeteria which was also decorated in keeping with Christmas season.

Under a canopy of pastel-colored streamers centered by a huge sparkling diamond the annual Coronation Ball took place. The theme of the Ball was "75th Anniversary," which accounted for the diamond. The pastel-colored streamers continued down the sides of the wall of the gym over a background of white paper. The tables were also decorated with pastel streamers. The stage looked very beautiful with panels of the streamers in the background. The canopy from the dance floor was continued above the stage. The steps leading to it were also decorated with the pastel-colored panels. On the left side of the stage were seated the Russell Green Melodiers whose music

created a most pleasing atmosphere. The throne dominated the right side of the stage.

At ten o'clock last year's king and queen, Stanley Jacobs and Shirley Zamert, took their places on the throne. When the new king and queen, Dick Middendorf and Shirley Stone, were announced, they proceeded to the throne. There they knelt and were crowned by last year's royalty. They then were seated on the throne as reigning king and queen. The rest of the court was introduced and in turn took their places on the platform. After much congratulating, the merriment continued until the hour of midnight.

The Juniors Experiment Proved Successful

The pleasure of a boat ride was well known to Harrisonians of another era. To us it was a pleasant new experience as we boarded the Johnston's Party Boat for the first Junior-Senior Prom to be held on it.

The moon was shining brightly as the music lured the people into the gaily decorated salon. There laughter, music and dancing occupied the first part of the evening, with a

ham luncheon served at 11:00 P. M.

The organ music was a pleasant diversion from the usual type of music played at a prom and everyone agreed that it was a delightful change.

The girls in their bewitching gowns and the boys in their tux all looked grand and unanimously agreed it was the finest of all proms.

Of The 1954 Hamilton County Champs

R. Skipton

C. Roessler

W. Emmert

In preparation for the 1954 season, the "Cats," after several weeks of training, held three scrimmages with opposing teams. The Cats downed two of these and held the Hamilton Catholic Rams to a tie.

The Hamilton County Athletic Association held a Preview at new Colerain Athletic Field. The idea was to give the public a look at the strength of the league as well as putting funds in the association treasury.

It was set up so that the composite score of all the Western teams would be put up against the scores of the Eastern teams. Each team was put up against an East team for 2-eight minute quarters. The Harrison Wildcats unveiled their football machine against Terrace Park.

Harrison's 14 points figured heavily as the West defeated the East 27-7.

The Cats Made A Blazing Path of Glory

B. Dunaway

F. Bledsoe

J. Grubbs

The curtain went up on the 1954 Football Season as the Harrison Wildcats met the Lawrenceburg Tigers on the gridiron and defeated them 24 to 6.

Steve Burk tallied the first score of the season. Lawrenceburg scored its only T. D. when they recovered a fumble on the 4. Jim Middendorf scored two T.D.'s and Steve Burk added another to wrap up the scoring and the game.

On September 24, Anderson journeyed to Wildcat land. The outclassed Redskins proved no match for the Cats as Harrison pushed them to a minus yardage gained. Many of the younger boys got some game experience that night. Jim Middendorf was big man for the Cats with three touchdowns.

One of the most publicized game of the season was our game at Colerain. Colerain's defense posed no problem for the Cats' offense. The Cats were fired up when Dick Middendorf, giant tackle, was injured early in the game. Colerain had its only scoring play called back on a penalty.

Returning to the home field the Cats took Terrace Park in stride and easily won by a score of 31 to 0.

The big game of the year, the Harrison-Taylor clash, took place on the Yellow-jacket's field. The game was hard-fought from start to finish, but the Wildcats won 25 to 0. Taylor had the Cats touchdown machine slowed down until the fourth quarter, when the Cats scored three markers and left the Jackets going away.

With this game under their belt the Cats prepared to meet the Mt. Healthy Owls at Harrison. The Cats were prepared for a real battle, but the Owls helped to make our Homecoming a happy event. Harrison's hard running backs tore off yardage almost at will

n the County, Making Famous the—

C. Eckel

against the hapless Owls. Showing real power and teamwork the Cats scored 17 points in the first half and 32 in the second half, to send the Owls home on the short end of a 45 to 7 score.

The next game found the Cats wading through a pool of mud to hand the Maderia Mustangs an 18 to 0 beating on the Mustang's field. Slowed by rain and poor field conditions, the Wildcats offense was slowed, but not stopped. The Cats defense made several fine stands when they were deep in their own territory to stop the Mustang cold.

Milford came to Harrison the next week, to find that they were no match for the Wildcats. The Cats iced the game in the first half with three T.D.'s. They rolled again in the last quarter to put two more markers across the goal line.

Riding high, the Cats traveled to the home of the highly touted Sycamore Aviators. After blocking a Harrison punt the Aviators drew first blood. The Cats promptly knotted the score at six all. Ron Skipton made the first of his two sensational touchdown jaunts to put the Cats in front at half time. In the third quarter Sycamore came back to score its final marker late in the third period. At this crucial time Skip came back with this second spectacular run. As the gun ended the game Sycamore was deep in Harrison territory, but the Seven Mules of Harrison made a determined stand to hold them.

In the final game of the season the Wildcats met the Loveland Tigers in the Wildcats lair. Playing in a dense fog, the Cats rolled up a 20 to 7 half time score. Both teams used strong defenses to hold the other in check through the third period. Loveland scored the last marker of the game in the final quarter. Harrison was on the march when the gun sounded, ending the game and the second undefeated season for the Cats.

Basketball Schedule 1954-55

Harrison vs.	Jan. 11 Brookville
Dec. 3 Colerain	Jan. 14 Glendale
Dec. 10 Mt. Healthy	Jan. 21 Taylor
Dec. 11 Western Hills	Jan. 28 Anderson
Dec. 14 Bright	Feb. 4 Loveland
Dec. 17 Terrace Park	Feb. 8 Sycamore
Dec. 21 Whitewater	Feb. 11 Indian Hill
Dec. 30 Alumni	Feb. 15 Bright
Jan. 7 Sharonville	Feb. 18 Maderia

A record of the Harrison basketball team cannot be put down on paper. To really know how the teams and Mr. Revis worked, you had to be a spectator at all the games. To see and realize the heartbreaks of the team who, in the beginning of the season, would win a few, lose a few, then win a few, just breaking even, you had to be there. But then came an important day, January 21, the day

of the Taylor game. A rivalry has existed between the two schools for a great number of years, and When Harrison won the game with a score of 58 to 52, the fans went wild. What Harrison will do the rest of the season, is impossible to say, but everyone is hoping and cheering the boys on, the boys who play their heart out and the coach whom everyone loves and admires. So on to victory, boys!

Even Keel, Playing Hard, Improving

C. Eckel

D. Eckel

R. De Bruler

Harrison's lads, fresh from football fame, had to change over to basketball in less than two weeks. This they did under the capable guidance of Coach Bill Revis. Revis installed a new offense which the Cats adapted to quite readily.

Harrison dropped a close battle to Colerain in the opener, 69 to 54. The score doesn't indicate how the Cats came on strong to reduce the Cardinals' lead.

The Wildcats traveled next to Mt. Healthy to play the Owls. They captured their first victory, 57 to 34. The Cats poured it on in the second half to win going away.

The lads for H.H.S. traveled to Western Hills to help them dedicate their new gym. The Cats lost 50 to 37, but up until the last few minutes, were either leading the Maroons or tied with them.

Harrison captured their second victory in defeating Bright the following Tuesday. The score was 73 to 54. Harrison led all the way.

Harrison entertained the Bulldogs from Terrace Park and dropped a close contest to them.

Next came Whitewater to the local gym. The Cats were victorious 44 to 40 with the Elks providing plenty of trouble.

The Cats took on the Alumni

E. Gabbard

G. Price

W. Batchelor

On The Records Of The Past Years .

B. Price

G. Young

G. Lippert

next and lost 56 to 54 in overtime. The score at the end of regular time was 50 to 50. The Cats lost after leading by a wide margin in the first half.

Harrison traveled to Sharonville in the next encounter and defeated them 63 to 49. Eckels and De Bruler each hit for 15 points to add the big scoring punch.

The Cats traveled to Brookville to take on the Greyhounds and, after leading 8 to 0 early in the game, came out on the short end of a 64 to 44 score.

Harrison entertained the Glendale squad next at the local gym. The Cats, underdogs before the game, took the measure of Glendale 59 to 53.

In the "BIG" game of the year, the Cats traveled to Taylor to take on the Yellowjackets. The Cats defeated the Jackets 58 to 52 for the first victory over Taylor in many a year. Clyde Eckel hit for 32 points to supply the big scoring punch.

As this editorial goes to press the Cats sport a six won and five lost record. They are up in third place in the County and have a chance to finish high in the county league. So with crossed fingers we send this to press and prepare to watch the rest of the season.

Expectations For The Season Grow

Row one: A. Kinnett, B. Clark, C. Nelson, M. Cassidy, R. McAdams, R. Metzler, J. Burk, Mr. Revis. Row two: J. Hettersimer, E. Loos, J. McCoy, J. West, H. Smith. Row three: K. Radcliff, R. Eckel, J. Stout, T. Harliss, B. Hayes, T. McAdams, E. Hiler, R. Karnes, E. Peters, J. Roessler, J. Minges.

Date	Harrison vs.	Jan. 11	Brookville
Dec. 3	Colerain	Jan. 14	Glendale
Dec. 10	Mt. Healthy	Jan. 21	Taylor
Dec. 11	Western Hills	Jan. 28	Anderson
Dec. 14	Bright	Feb. 4	Loveland
Dec. 17	Terrace Park	Feb. 8	Sycamore
Dec. 21	Whitewater	Feb. 11	Indian Hill
Dec. 30	Alumni	Feb. 15	Bright
Jan. 7	Sharonville	Feb. 18	Maderia

The Harrison Kittens, as the Reserve team is known, have had a tough time this year as they have a current 2-8 win and lost second. Their two victories were over Whitewater and Sharonville. As this article goes to press, there are six remaining games in which the Kittens

can pull up to the finish line with an 8-8 record. They have shown great promise but seem to lack immediate scoring punch. In all the losses, the Kittens have only once went down by more than 5 points. So you can see the outlook for next year is very bright.

As They Wield Their Mighty Bats.

These boys are to be the veteran players on the "55" team.

Baseball Schedule—1955

March 31.....	Sycamore, there
April 5.....	Anderson, here
April 14.....	Mt. Healthy, here
April 19.....	Colerain, here
April 20.....	Taylor, there

Just as basketball was over and the gym was vacant, Coach Schoenhof got out the little round white pills called baseball. He assembled the squad and they began their training. The team had about four weeks to get ready for the opening game against Sycamore. As soon as the weather permitted, the squad went outside and began the serious

work. This year the Harrison lads have a veteran outfit with almost every position filled by a player who has had several years of experience in Knot Hole and Varsity baseball. Harrison teams have, in the past, been lacking at the sport of baseball, but this year, with a little luck and plenty of work the outlook is very bright.

Strike him out, Sadie!

Let's go, Pat!

Harrison Thin Clads Burn Cinders On

Seated: W. Batchelor, J. Grubbs, R. Skipton, W. Dunaway, G. Lippert, J. Greschel, A. Downard, E. Gabbard. Standing: W. Zorb, S. Burk, C. Roessler, C. Eckel, R. De Bruler, R. Middendorf, D. Eckel, J. Middendorf, Mr. Dougherty.

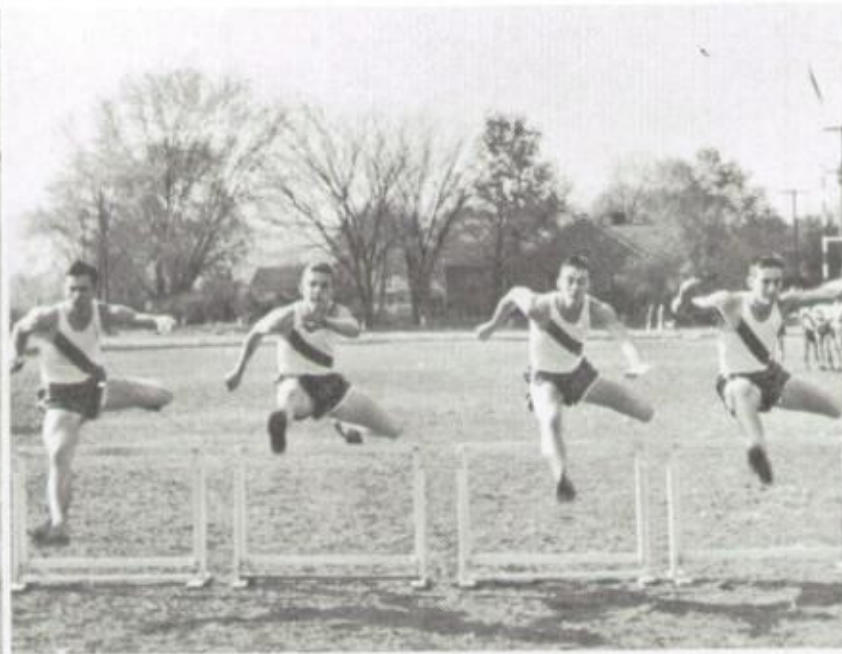

The track team started burning the cinders the first week of March in preparation for the '55 season. Through April the team participated in a number of dual and triangular meets, in preparation for the big ones to come in May.

The first big meet was the Lockland Night Relays on April 23. The next week the team was running at the Mariemont Invitational Meet. On May 3

and 4 the County Track Meet was held on our own home oval. May 7 and 8 found some of the team running at the Miami Meet. Our last home meet was the Second Annual Harrison Relays. The District Meet was held on May 13 and 14. Those who qualified in this meet went to Columbus on May 20 and 21 to participate in the Ohio State Meet.

Girls Sports Maintain High Interest

Volleyball

The laughter that occasionally can be heard echoing from the gym is usually that of the girls in Physical Education classes. This is the class that everyone enjoys, from the freshmen, who were greenhorns at the games, to the seniors, who found that they had a new game to conquer when Mrs. Klingensmith, the new teacher, introduced soccer. Everyone really enjoyed playing soccer and was a little sorry to feel the cold winds that put an end to this sport.

Softball

In A Variety Of Activities This Season

Track

The girls enjoyed playing the old stand-by games such as basketball, volleyball, softball, and tennis. Quite a few of the girls who belonged to G.A.A. took up the sport of bowling and became very proficient at it. Basketball teams were formed in the classes and the winning team in each of the classes played one another. Basketball and volleyball were played in the gym during the cold season, but when spring rolled around, the girls went outside to play tennis and softball.

H.H.S. Alumni History

The H.H.S. Alumni Association was organized in 1883 by the classes of '81 and '82 under the direction of superintendent E. C. Ellis.

A reception was given for the Class '83 and a Reunion of Alumni and Reception for the new class have been held each year since. At every Reunion, the program has been opened with the singing of "The Students' Reunion" and has closed with "Auld Lang Syne." Every five years, a history of the Alumni has been read.

The members have kept up their interest in the school, and have accomplished many things for its welfare. In 1906 they presented a beautiful silk flag and Green and White Banner and twice since have renewed this gift.

In 1916 in order to save the First Grade Charter, a sufficient amount of equipment was bought to start the Manual Training Department, and the following year, the Domestic Science Department was given its start. From that time on the school board took charge.

A School Improvement Fund was raised by means of entertainment by the members and many gifts were made to the High School including additions to the H. S. Library and a mimeograph for the office.

The Alumni Honor Roll containing the names of twenty-eight members who entered the regular service, and sixteen who joined the Students' Training Corps in World War I was framed and hung in the Study Hall. Of this number eight were commissioned officers. The Roll also has the names of two trained nurses, Estella O'Rourke, 1899, and Myrtle Tracey, 1913, in service during the war.

In World War II there were two hundred thirty-three Alumni in service, of whom 17 made the supreme sacrifice. There was also a large number from our community who served in the Korean War.

Since 1881, many have received H.H.S. diplomas, and have gone to the far parts of the earth; many more have established homes in various parts of their own country.

WE WOULD LIKE TO PAY TRIBUTE TO OUR OLDEST GRADUATE, MISS MARY CURRAN, WHO GRADUATED 75 YEARS AGO, BY PUBLISHING TWO THINGS SHE IS PROUD OF BEING A PART IN.

The Community Recreation Center

During World War I, the Community Council was organized to do welfare work for the men in service. The war ended but the Council continued its good work. Realizing the great need of the schools for playgrounds, more than seven acres of ground were purchased south of Broadway and with \$1560 for its improvement were donated to the Harrison Public School District, to be maintained as a community recreation center for any purpose that would not interfere with the activities of the school.

This is considered one of the most important achievements of the Council, with Mr. B. F. Riese, as president; Miss Mary A. Curran, secretary; and Mr. Val J. Meade as treasurer.

To this ground the lots bordering on Broadway were added by the Board of Education, giving Harrison one of the finest recreation centers in the County; and proving to be an important factor in assuring the centralization of the schools in Harrison Township.

Harrison Library

In 1888, K. D. Blake, Superintendent of the Harrison Public School called the attention of the people to the need of a Recreation and Reading Room for the young people of the town. In response, volunteer solicitors under the direction of Dr. J. R. Marvin called on the citizens, and received a generous response. The use of the Universalist Church building (now the property of the United Brethren) was secured from the Ohio State Universalist Society, at Akron, Ohio. A private library association donated a very well selected collection of books, and with the aid of the girls in the H.H.S. graduating class of 1890 the Reading Room was managed for two years. The building was then purchased from the Universalist Society and donated to the Harrison Village Council on condition that they would maintain a Free Public Library. The Village Coun-

cil sold the building to the United Brethren, and maintained a Village Library in the City Hall from 1892 to 1900. The Mayor acted as President of the Library Board; Dr. J. P. Marvin, a member; Miss Mary A. Curran was secretary; and Miss Nellie Curran was librarian.

When in 1900, the Cincinnati Public Library was given authority by the state to take over the county, a survey revealed that Harrison had one of the two Village Libraries in Hamilton County, Wyoming having the other, and those villages received the first two Cincinnati Branch Libraries. Miss Curran was retained by the Cincinnati Library Board as Branch Librarian until she retired in 1946. She was succeeded by Mrs. Virginia Schrieber and later by Miss Henrietta Beesley, the very efficient present librarian.

The Class Of 1905

Bring Back Golden Memories

MOTTO—VELIS ET REMES
COLORS—YELLOW AND WHITE

William Mortashed, well known in law and civic circles of Cincinnati, lived all his life in Harrison. Died in 1954. Walter McGowan worked 43 years for Union Central Life Insurance Company. Lives in Cincinnati. Is now retired and has a position in the County Court House.

Eileen Klemm Bevis reared a very interesting family of four children. Died 1941.

Alice Crets Rector taught school in Harrison and Cleves. Now lives in Harrison.

Adah Hollowell conducted successful lumber business in Harrison until her death in 1952.

Alice Frederick, successful business woman. Smart Wear Shoppe. Harrison, Ohio. Estella Kirk Chapman, telephone opera-

tor until her marriage to Oliver Chapman. Lives in Cincinnati.

Alice Weidman McCauley, Married James McCauley shortly after graduation. Two children. Deceased 1948.

Alma Huber taught school 43 years, thirty of these at the Condon School for Crippled Children in Cincinnati, Ohio. Since retirement in 1949 has traveled extensively. Now lives in Cincinnati. Mary Kolb Roubush taught school in or near Harrison for thirty-seven years. Retired in 1946. Her hobbies are painting, nature and club work.

Of this class Adah Hollowell, Alice Crets and Alma Huber went through school twelve years together.

And so in closing the H.H.S. Alumni's contribution to this 1955 Diamond Jubilee Issue of the Vista, we would like to use the words of one of our most beloved H.H.S. graduates which were written especially for this occasion.

An Old Man came to a chasm wide
By swaying footbridge spanned the tide
Began at once a bridge to build
With patience of a workman skilled
A traveler called, "Why build today?
'Tis only once you pass this way."
"Ah yes, but closely following me
Is an untried youth! 'Tis for him, you see."
Like industry's titan, in this Jubilee Book
The H.H.S. Alumni wear the "Forward Look."
Jeannette Gray Dale

Every Alumni member has a warm spot in his heart for Miss Mary Curran, a graduate of the Class of 1881. As a teacher and principal of H.H.S., Miss Curran has played an important role in the development of both school and community.

Greetings
To the Seventy-Fifth Class
From
The Alumni Association

Greetings:

Now that our time at Harrison High School is coming to a close we wish to express our gratitude to those who have made it possible for us to print our Anniversary book, the Vista of 1955, based on the 75th commencement.

We wish to thank Mrs. Ethyl J. Wendling, our advisor, for her hours of work and unlimited contributions in helping us complete our book; The Alumni Association, for their efforts on the section devoted to the past classes; Mr. Guido Terzo, for his fine work on Senior and activity photographs; Mr. Gulley and Mr. Guntz, for their splendid work and co-operation; The S. K. Smith Company for our covers; and finally, The American Yearbook Company, who published our book.

We wish to take this opportunity to ask you to patronize the people who advertised in the Vista. Without their help it could not have been published.

We hope that you have enjoyed this book and that it will serve as a memory of Harrison High School.
